CONEXXUS WINS HIGH TECH LOAN AWARD

Louisville, KY – January 31, 2008 – Conexus, LLC was recently honored as a recipient of up to \$238,000 in funding from the High-Tech Investment Pool administered by the Cabinet for Economic Development of Kentucky (the Cabinet). Under the agreement Conexus agreed to create 14 high-tech and technical support jobs for Kentucky residents by December 31, 2010.

The award was granted along with two other Kentucky based companies. Commenting on the announcement, John Hindman, Cabinet Secretary, said, “The Cabinet is pleased to invest in such innovative and promising Kentucky companies.”

Commenting on the announcement, Jeffrey T. Reibel, Founder and Chief Executive Officer of Conexus, said, “We are greatly honored to receive funding from the High-Tech Investment Pool. The grant recognizes the strength and viability of Conexus, while providing funds to continue our expansion. We look forward to creating high-tech jobs for Kentucky residents and to a long, continuing relationship with the Cabinet.”

About The Kentucky Cabinet for Economic Development

The Kentucky Cabinet for Economic Development is the primary state agency in Kentucky responsible for creating new jobs and new investment in the state. New business investment in Kentucky in 2007 totaled nearly \$2 billion with the creation of over 13,400 new jobs. Information on available development sites, workforce training, incentive programs, community profiles, small business development and other resources is available at www.ThinkKentucky.com.
